

**The Alabama A&M University Georgia License Plate is here!**

**Persons interested in the tag should submit a completed application and their \$25 manufacturing fee to our chapter. The Department of Motor Vehicles will send a receipt to your mailing address. You should take the receipt and your current vehicle registration to your local tag office. If the AAMU tag is not immediately available at your local tag office, a temporary license plate will be issued to you and the permanent tag will be sent by the US Postal Service. If your birthday has already passed and you are current with your vehicle registration fees, it is likely that you will only have to pay an additional \$35 for the new license plate. You do not have to wait until your birthday.**
